This includes both our Student Service Learning Program and Corporate Service Trips. School the World's Student Service Learning & Travel Program is an opportunity for U.S. high school and college students to participate in a eight-day service experience in Guatemala. The 165 student participants in 2018 committed to funding the construction of 8 schools and 7 playgrounds in rural communities in Quiche. These student groups fund 50% of the construction costs, with the local government in Guatemala funding the other 50%. Collectively, all students that travel in a given year fund the wrap around programming that makes our schools sustainable. Prior to their life-changing experience abroad, students participate in seminars that teach successful fundraising tactics and that educate them on the region's history and culture. During their time working in rural Guatemala, students open their eyes and minds to the deep and complicated challenges around international education, extreme poverty and gender discrimination. Most importantly, our World Changers return home with a renewed sense of gratitude, perspective and purpose. School the World's Corporate Service Trip Program allows companies to provide employees with an unmatched experience outside of their daily work routines. Companies partially sponsor a school build and the group to travel to Central America. The employees fundraise, travel and participate in a similar experience to our Student Service Learning Program. In 2018, 21 employees funded 1 school & 1 playground.

A cement block school building is School the World's first step toward quality education. It is a symbol of our partnership between our long-term programming, the community and the local government in Guatemala and Honduras. It also symbolizes new beginnings and hope for the community as a whole. Often, this building is the first formal school in the community, replacing makeshift or adobe structures. Our collaboration with the community from this initial stage is vital for creating sustainable change. School the World requires 50% of the construction costs be paid by local government to ensure their support in improving education in the region. The local community members donate land, their time and labor to assist in the construction process. We raise fund from corporate sponsors, our Service Learning & Travel Program and individual donors for School the World's portion (50%) of the infrastructure. In 2018, School the World built 20 new schools serving 1,952 new students in Guatemala and Honduras. We also built 9 new playgrounds to support social & emotional learning (SEL) at existing and new School the World schools. Aside from fostering SEL, Play also serves as a tool in deconstructing traditional gender roles that remain prevalent in these regions. In a society that is culturally rooted in gender hierarchy & expectations, girls are able to break free from such constraints and experience equality through Play. These playgrounds are often a child's first opportunity to play. In fact, we train parents around the importance of Play.

**4c** (Code: ) (Expenses \$ 97,676 including grants of \$ ) (Revenue \$ )  
A large portion of School the World's holistic approach toward improving education in the regions where we work is our Parent Empowerment Program and monitoring of our schools. The majority of parents that we work with are illiterate, but they are determined to provide their children with the education they never had. Through bi-monthly parent trainings conducted by our local staff, School the World empowers parents to become the first educators for their children. They learn how to support their child's learning both in and out of the classroom. They learn about their rights, the rights of their child and the responsibilities of the teacher. These trainings have succeeded in turning around otherwise failing schools. In 2018, School the World added 975 parents to this program at the 20 new schools that were constructed. In total, we have worked with 5,268 parents over the last 9 years.

- For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, contributions *exclusively* for religious, charitable, etc., purposes, but no such contributions totaled more than \$1,000. If this box is checked, enter here the total contributions that were received during the year for an *exclusively* religious, charitable, etc., purpose. Don't complete any of the parts unless the **General Rule** applies to this organization because it received *nonexclusively* religious, charitable, etc., contributions totaling \$5,000 or more during the year . . . . . ▶ \$ \_\_\_\_\_

**Caution:** An organization that isn't covered by the General Rule and/or the Special Rules doesn't file Schedule B (Form 990, 990-EZ, or 990-PF), but it **must** answer "No" on Part IV, line 2, of its Form 990; or check the box on line H of its Form 990-EZ or on its Form 990-PF, Part I, line 2, to certify that it doesn't meet the filing requirements of Schedule B (Form 990, 990-EZ, or 990-PF).

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Schedule B (Form 990, 990-EZ, or 990-PF), such as legislation enacted after the schedule and its instructions were published, go to [www.irs.gov/Form990](http://www.irs.gov/Form990).

**Note:** Terms in **bold** are defined in the *Glossary of the Instructions for Form 990*.

### What's New

For tax years ending on or after December 31, 2018, certain tax-exempt organizations are no longer required to report the names and addresses of their contributors on Schedule B (Form 990 or 990-EZ). However, these organizations must continue to keep this information in their books and records. Organizations described in section 501(c)(3) and section 527 are still required to report the names and addresses of their contributors on Schedule B. See Rev. Proc. 2018-38, 2018-31 I.R.B. 280, and *General Rule*, below.

### Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990, Return of Organization Exempt From Income Tax, Part VIII, *Statement of Revenue*, line 1;
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, Part I, line 1; or
- Form 990-PF, Return of Private Foundation, Part I, line 1.

### Who Must File

Every organization must complete and attach Schedule B to its Form 990, 990-EZ, or 990-PF, unless it certifies that it doesn't meet the filing requirements of this schedule by:

- Answering "No" on Form 990, Part IV, *Checklist of Required Schedules*, line 2; or
- Checking the box on:
  - Form 990-EZ, line H; or
  - Form 990-PF, Part I, *Analysis of Revenue and Expenses*, line 2.

See the separate instructions for these lines on those forms.

If an organization isn't required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

### Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XII, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

## Public Inspection

**Note:** Don't include social security numbers of contributors as this information may be made public.

- Schedule B is open to public inspection for an organization that files Form 990-PF.
- Schedule B is open to public inspection for a section 527 political organization that files Form 990 or 990-EZ.
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors aren't required to be made available for public inspection. All other information, including the amount of contributions, the description of **noncash contributions**, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it shouldn't include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that don't require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

## Contributions To Be Included on Part I

A *contributor* (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report **governmental units** as contributors.

### Contributions

*Contributions* reportable on Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions don't include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for more detailed information on contributions.

### General Rule

Unless the organization is covered by one of the *Special Rules*, later, it must report in Part I contributions from all persons who contribute \$5,000 or more (in money or other property) during the **tax year**. As described below, certain organizations report only total contribution amounts. Contributions may be made directly or indirectly and may take the form of money, **securities**, or any other type of property.

Include all separate and independent gifts that are \$1,000 or more to determine a contributor's total contribution. Gifts that are less than \$1,000 may be disregarded. Include each contribution reported on Form 990, Part VIII, line 1. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property in Part VIII, line 1, it must include the value of that contribution in calculating whether the contributor meets the General Rule (or one of the Special Rules, if applicable), even if the organization didn't receive the property during the tax year.

### Certain organizations not required to report contributor names and addresses.

Certain organizations are no longer required to report the names and addresses of their contributors on Schedule B. Such organizations are those other than:

- Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), or
- Section 527 political organizations.

Organizations not required to report the names and addresses should enter "N/A" in Part I, column (b). These organizations must continue to:

- Collect the names and addresses of their contributors,
- Keep this information in their records and books, and
- Make the information available to the IRS upon request.

Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), and section 527 political organizations must continue to report the names and addresses of their contributors in Part I, column (b), on Schedule B.

## Special Rules

**Section 501(c)(3) organizations that file Form 990 or 990-EZ.** For an organization described in section 501(c)(3) that meets the 33 $\frac{1}{3}$ % support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h(A); or Form 990-EZ, line 1. *An organization that claims the benefit of this special rule must either (1) establish on Schedule A (Form 990 or 990-EZ), Part II, that it met the 33 $\frac{1}{3}$ % support test for the current year or prior year; or (2) check the box on Schedule A (Form 990 or 990-EZ), Part I, line 7 or 8, and the box on Schedule A, Part II, line 13, as a section 170(b)(1)(A)(vi) organization in its first 5 years.*

**Example.** A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who

contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who gave a total of \$11,000 wouldn't be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000, it didn't exceed \$14,000.

### Section 501(c)(7), (8), or (10)

**organizations.** For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that weren't for an exclusively religious, charitable, etc., purpose, list in Part I contributions from each contributor who contributed \$5,000 or more during the tax year, as described under *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (section 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I contributions from each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part I or II must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

All section 501(c)(7), (8), or (10) organizations listing contributions under this special rule should enter "N/A" in Part I, column (b), and should not enter the name and address of any contributor.

However, if a section 501(c)(7), (8), or (10) organization didn't receive total contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes and consequently wasn't required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

## Specific Instructions

**CAUTION**

*Don't attach substitutes for Schedule B or attachments to Schedule B with information on contributors. Parts I, II, and III of Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part (for example, Page 2 of 5, Part II).*

**Part I.** In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number

consecutively. In column (b), section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and section 501(c)(3) nonexempt private foundations) and section 527 organizations enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization doesn't know the donor's identity. Other organizations enter "N/A" in place of each contributor's name, address, and ZIP code. In column (c), enter the amount of total contributions for the **tax year** for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a *cash contribution* came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address or "N/A," as applicable, and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "Noncash" box in column (d) for any contribution of property other than cash during the tax year, and complete Part II of this schedule. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property on Form 990, Part VIII, line 1g, it must check the "Noncash" box and complete Part II even if the organization didn't receive the property during the tax year.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that aren't reported on Form 8872, Political Organization Report of Contributions and Expenditures, don't need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and ZIP code; but you must enter the amount of contributions in column (c).

**Part II.** In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the **noncash contribution** received by the organization during the tax year, regardless of the value of that noncash contribution. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, market quotations for securities) by listing its **fair market value (FMV)**. If the organization immediately sells **securities** contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net

proceeds plus the broker's fees and expenses. See the instructions for Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property isn't immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV can't be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, but only if the donor has fully given up use and enjoyment of the property at that time.

The organization must report the value of any **qualified conservation contributions** and contributions of **conservation easements** listed in Part II consistently with how it reports revenue from such contributions in its books, records, and financial statements and in Form 990, Part VIII, *Statement of Revenue*.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

**Part III.** Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc., purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, the total of gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page if you use duplicate copies of Part III.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Schedule M (Form 990), such as legislation enacted after the schedule and its instructions were published, go to [www.irs.gov/Form990](http://www.irs.gov/Form990).

**Note:** Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

### Purpose of Schedule

Schedule M (Form 990) is used by an organization that files Form 990 to report the types of **noncash contributions** received during the year by the organization and certain information regarding such **contributions**. The schedule requires reporting of the quantity and the reported financial statement amount of noncash contributions received by type of property. Report noncash donated items even if sold immediately after received. Don't report noncash contributions received by the organization in a prior year. Don't report donations of services or the donated use of facilities, equipment, or materials donated.

### Who Must File

An organization that answered "Yes" to Form 990, Part IV, lines 29 or 30, must complete Schedule M (Form 990) and attach it to Form 990. This means an organization that reported more than \$25,000 of aggregate **noncash contributions** on Form 990, Part VIII, line 1g, or that during the year received **contributions of art, historical treasures**, or other similar assets, or **qualified conservation contributions**, regardless of whether it reported any revenues for such contributions in Part VIII.

If an organization isn't required to file Form 990 but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

## Specific Instructions

### Part I. Types of Property

**Column (a).** Check the box if during the year the organization received any contributions of the property type identified.

**Column (b).** For each type of property received during the year, enter the number of **contributions** or the number of items contributed, determined in accordance with the organization's recordkeeping practices. Explain in Part

II of this schedule whether the organization is reporting the number of contributions or the number of items received, or a combination of both methods. As described below, for contributions of securities, such as publicly traded stock, treat each separate gift (rather than each share received) as an item for this purpose.

Organizations that receive contributions of books, publications, clothing, and household goods aren't required to complete column (b) for those items reported on lines 4 and 5.

**Columns (c)–(d).** In column (c), enter the revenues reported on Form 990, Part VIII, line 1g, for the appropriate property type. If none were reported, enter "0."

In column (d), describe the method used to determine the amount reported on Form 990, Part VIII, line 1g (for example, cost or selling price of the donated property, sale of comparable properties, replacement cost, opinions of experts, etc.). See Pub. 561, *Determining the Value of Donated Property*, for more information.

**Example 1.** A used car in poor condition is donated to a local high school for use by students studying car repair. A used car guide shows the dealer retail value for this type of car in poor condition is \$1,600. However, the guide shows the price for a private party sale of the car is only \$750. The fair market value of the car is considered to be \$750, which is the amount the organization reported on Form 990, Part VIII, line 1g. In column (c), the organization should enter \$750. In column (d), the organization should enter "sale of comparable properties and/or opinion of expert" as the method used to determine fair market value.

**Example 2.** An organization primarily receives bulk donations of clothing, household goods, and other similar items, intended for resale. Under its permitted financial reporting practices, it doesn't recognize or record revenue at the time of receipt of the contribution, but instead records such items in inventory and reports contribution revenues at the time of sale based on prior inventory turnover experience. In column (c), the organization can enter the amount that represents the total estimated amount of annual sales revenue for each type of property received under its permitted financial reporting method, and in column (d), enter "resale value or annual sales revenue" as the method of determining revenue.

Museums and other organizations that don't report contributions of **art, historical treasures**, and other similar items as revenue, as permitted under

generally accepted accounting principles, enter "0" in column (c) and leave column (d) blank. The organization can explain in Part II that a zero amount was reported on Form 990, Part VIII, line 1g, because the museum did not capitalize its collections, as allowed under **SFAS 116** (ASC 958-360-25).

An organization that received **qualified conservation contributions** or **conservation easements** must report column (c) revenue consistent with how it reports revenue from such contributions in its books, records, and financial statements. The organization must also report revenue from such qualified conservation contributions and conservation easements consistently with how it reports such revenue in Form 990, Part VIII.

**Line 1. Works of art** include paintings, sculptures, prints, drawings, ceramics, antiques, decorative arts, textiles, carpets, silver, photography, film, video, installation and multimedia arts, rare books and manuscripts, historical memorabilia, and other similar objects. Works of art don't include **collectibles** reported on line 18 or taxidermy reported on line 21.

**Line 2. An historical treasure** is a building, structure, area, or property with recognized cultural, aesthetic, or historical value that is significant in the history, architecture, archeology, or culture of a country, state, or city.

**Line 3. A contribution** of a fractional interest in art is a contribution, not in trust, of an undivided portion of a donor's entire interest in a **work of art**. A contribution of the donor's entire interest must consist of a part of each substantial interest or right the donor owns in such work of art and must extend over the entire term of the donor's interest in the property. A gift generally is treated as a gift of an undivided portion of a donor's entire interest in property if the donee is given the right, as a tenant in common with the donor, to possession, dominion, and control of the property for a portion of each year appropriate to its interest in such property. For each work of art or item, report in column (b) the fractional interest for each year an interest in the property is received for the underlying work of art or item. See section 170(o) for special rules for fractional gifts.

**Line 4.** Enter information about **contributions** of all books and publications. Don't include rare books and manuscripts reported on line 1, **collectibles** reported on line 18, and archival records reported on lines 25 through 28.

**Line 5.** Enter information about clothing items and **household goods** which were in good used condition or better. Clothing items and household goods which weren't in good used condition or better are to be reported as a separate type in "Other" beginning with line 25.

**Lines 6–7.** On line 6, include only **contributions** of motor vehicles manufactured primarily for use on public streets, roads, and highways. Don't include on lines 6 or 7 contributions of the donor's stock in trade or property held by the donor primarily for sale to customers in the ordinary course of a trade or business. The organization is required to file Form 1098-C, Contributions of Motor Vehicles, Boats, and Airplanes, with the donor and the IRS for contributions reported on these lines. See Form 990, Part V, line 7h.

**Line 8.** Intellectual property is any patent, copyright (other than a copyright described in section 1221(a)(3) or 1231(b)(1)(C)), trademark, trade name, trade secret, know-how, software (other than software described in section 197(e)(3)(A)(i)), or similar property. Certain **contributions** of intellectual property require the organization to file Form 8899, Notice of Income From Donated Intellectual Property, with the donor and the IRS. See Form 990, Part V, line 7g.

**Line 9. Publicly traded securities** means **securities** for which (as of the date of the contribution) market quotations are readily available on an established securities market. For each **security**, treat each separate gift (rather than each share received) as a **contribution** for this purpose. Include on this line interests in publicly traded partnerships, limited liability companies or trusts, and publicly traded corporations.

**Line 10. Closely held stock** means shares of stock issued by a corporation that isn't publicly traded. For each **security**, treat each separate gift (rather than each share received) as a **contribution** for this purpose.

**Line 11.** Enter information about **contributions** of interests in a partnership, limited liability company, or trust, that isn't publicly traded. For each **security**, treat each separate gift (rather than each share received) as a contribution for this purpose.

**Line 12.** Enter information about **contributions** of **securities** that aren't reported on lines 9 through 11. For each **security**, treat each separate gift (rather than each share received) as a contribution for this purpose.

**Lines 13–14.** A **qualified conservation contribution** is a contribution of a qualified real property interest to a qualified organization exclusively for conservation purposes. A qualified real property interest means any of the following interests in real property.

1. The entire interest of the donor,
2. A remainder interest, or
3. A restriction (an easement), granted in perpetuity, on the use which may be made of the real property.

A *qualified organization* means an organization which is:

1. A **governmental unit** described in section 170(c)(1);
2. A publicly supported charitable organization described in sections 501(c)(3) and 170(b)(1)(A)(vi) or section 509(a)(2) (see the instructions for Parts II and III of Schedule A (Form 990 or 990-EZ)); or
3. A **supporting organization** described in sections 501(c)(3) and 509(a)(3) that is controlled by a governmental unit or a publicly supported charitable organization.

In addition, a qualified organization must have a commitment to protect the conservation purposes of a qualified conservation contribution, and have the resources to enforce those restrictions.

A conservation purpose means:

1. The preservation of land areas for outdoor recreation used by, or for the education of, the general public;
2. The protection of a relatively natural habitat of fish, wildlife, plants, or similar ecosystems;
3. The preservation of open space (including farmland and forest land) where such preservation is for the scenic enjoyment of the general public or pursuant to a clearly delineated federal, state, or local governmental conservation policy; or
4. The preservation of an historically important land area or a certified historic structure.

See section 170(h) for additional information, including special rules for the conservation purpose requirement for buildings in registered historic districts.

On line 13, enter information about contributions of a qualified real property interest that is a restriction for the exterior of a certified historic structure. A **certified historic structure** is any building or structure listed on the National Register of Historic Places as well as any building certified as being of

historic significance to a registered historic district. See section 170(h)(4)(B) for special rules that apply to contributions made after August 17, 2006.

On line 14, enter information about qualified conservation contributions other than those entered on line 13. This includes **conservation easements** to preserve land areas for outdoor recreation used by, or for the education of, the general public; to protect a relatively natural habitat or ecosystem; to preserve open space; or to preserve an historically important land area.

**Line 15.** Enter information about **contributions** of residential real estate. Include information about contributions (not in trust) of a remainder interest in a personal residence which wasn't the donor's entire interest in the property. The term personal residence includes any property used by the donor as a personal residence but isn't limited to the donor's principal residence. The term personal residence also includes stock owned by the donor as a tenant-stockholder in a cooperative housing corporation if the dwelling the donor is entitled to occupy as a tenant-stockholder is used by the donor as a personal residence. Don't enter information about contributions of the use of facilities or property, as such contributions aren't reportable on Form 990, Part VIII.

**Line 16.** Enter information about **contributions** of commercial real estate, such as a commercial office building. Include information about contributions (not in trust) of a remainder interest in a farm which wasn't the donor's entire interest in the property. The term farm refers to land used for the production of crops, fruits, or other agricultural products, or for the maintenance of livestock. A farm includes the improvements located on the farm property.

**Line 17.** Enter information about real estate interests not reported on lines 15 or 16.

**Line 18. Collectibles** include autographs, sports memorabilia, dolls, stamps, coins, books (other than books and publications reported on line 4), gems, and jewelry (other than costume jewelry reported on line 5), but not art reported on lines 1 through 3, or historical artifacts or scientific specimens reported on lines 22 or 23.

**Line 19.** Enter information about food items, including food inventory contributed by corporations and other businesses.

**Line 20.** Enter information about drugs, medical supplies, and similar items contributed by corporations and other businesses that manufactured or distributed such items.

**Line 21.** Taxidermy property means any work of art that is the reproduction or preservation of an animal, in whole or in part; is prepared, stuffed, or mounted to recreate one or more characteristics of the animal; and contains a part of the body of the dead animal.

**Line 22.** Enter information about historical artifacts such as furniture, fixtures, textiles, and household items of an historic nature. Don't include **Art** reported on lines 1 through 3, or any archeological artifacts reported on line 24.

**Line 23.** Scientific specimens include living plant and animal specimens, natural and physical sciences specimens (such as rocks and minerals), and objects or materials that relate to, or exhibit, the methods or principles of science.

**Line 24.** Enter information about archeological and ethnographical artifacts, other than **Art** reported on lines 1 through 3, and historical artifacts reported on line 22. An archeological artifact is any object over 250 years old and is normally discovered as a result of scientific excavation, clandestine or accidental digging for exploration on land, or under water. Ethnological artifacts are objects which are the product of a tribal or nonindustrial society, and important to the cultural heritage of a people because of its distinctive characteristics, comparative rarity, or its contribution to the knowledge of the origins, development, or history of that people.

**Lines 25–28.** Use lines 25 through 28 to separately report other types of property not described above or reported on previous lines. These include items that didn't satisfy specific charitable deduction requirements applicable to the **contribution** of such type of property,

but which were contributed to the organization, such as clothing and **household goods** that weren't in good used or better condition, and **conservation easements** that the organization knows don't constitute **qualified conservation contributions**.

Self-created items, such as personal papers and manuscripts, including archival records, are to be listed separately as a type. Archival records are materials of any kind created or received by any person, family, or organization in the conduct of their affairs that are preserved because of the enduring value of the information they contain or as evidence of the functions and responsibilities of their creator.

Donations of items used by the organization at a charitable auction (other than goods sold by the charity at the auction, which should be reported on lines 1 through 24, as appropriate), such as food served at the event or floral centerpieces, can be reported separately on lines 25 through 28. **Noncash contributions** don't include donations of services or donated use of materials, equipment, or facilities, which may be reported in the narrative section of Form 990, Part III, line 4.

**Line 29.** Enter the number of Forms 8283, Noncash Charitable Contributions, received by the organization during the year for **contributions** for which the organization completed Form 8283, Part IV.

**Lines 30a–30b.** Answer "Yes" to line 30a if the organization received during the year a **noncash contribution** reportable on lines 1 through 28 for which the organization is required, by the terms of the gift or otherwise, to hold the property for at least three years from the date of the **contribution** and which property is not required to be used for exempt purposes for the entire holding period. An organization that answers "Yes" to line 30a must describe the arrangement in Part II.

**Line 31.** Answer "Yes" if the organization has a gift acceptance policy that requires the review of any nonstandard contributions. A nonstandard contribution includes a contribution of an item that isn't reasonably expected to be used to satisfy or further the organization's exempt purposes (aside from the need of such organization for income or funds) and for which (a) there is no ready market to which the organization can go to liquidate the contribution and convert it to cash, and (b) the value of the item is highly speculative or difficult to ascertain. For example, the contribution of a taxpayer's successor member interest of the type described in Notice 2007-72, 2007-36 I.R.B. 544, is a nonstandard contribution for this purpose.

**Lines 32a–32b.** Answer "Yes" to line 32a if the organization hires or uses third parties or related organizations to solicit, process, or sell **noncash contributions**. Answer "No" if the only third party used by the organization to solicit, process, or sell noncash contributions is a broker who sells publicly traded securities received by the organization as a gift. An organization that answers "Yes" to line 32a must describe these arrangements in Part II.

**Line 33.** If applicable, describe in Part II why the organization didn't report revenue in column (c) for a type of property for which column (a) is checked.

## Part II. Supplemental Information

Use Part II to provide narrative information required in Part I, column (b), and Part I, lines 30b, 32b, and 33, and whether the organization is reporting in Part I, column (b), the number of contributions, the number of items received, or a combination of both. Also use Part II to provide other narrative explanations and descriptions, as needed. Identify the specific line number that the response supports. Part II can be duplicated if more space is needed.

These additional expenses include our classroom resources: teaching training program & books/learning materials.

School the World's Teacher Training Program provides local teachers with two years of intensive training that includes a special focus on child-centric teaching and early grade reading skills. Teachers participate in monthly group trainings followed up with individualized classroom-based coaching. This training includes classroom management techniques and social and emotional learning in addition to the core focus on literacy skills. This program has stimulated interest in improving teaching strategies as well as creating interactive lesson plans. The results of the program show enhanced classroom engagement and learning. In 2018, School the World developed an internal teacher training program with two full time staff responsible for the execution of this program service. (In the past, we partnered with a local university to provide trainings to teachers in our schools.) To date, 323 teachers have completed this training of which 68 were added within 2018 alone. School the World imbeds social and emotional learning development through various program components. The teacher training curriculum includes social and emotional learning exercises for each grade level. In addition to the playgrounds and playground trainings, our staff conducts organized recess games during community visits designed to teach life skills and values such as conflict management, teamwork and gender equity.

School the World partners with parents in the community to purchase culturally relevant books and begin the assembly of a full classroom library in each school. School the World adds to each of these libraries annually for five years with co-investments from parents. We believe deeply that engaging the parents in the success of schools is critical to creating lasting change. The investment in books not only engages parents, it empowers them as co-creators in their child's education. In 2018, we (alongside the parents of our communities) purchased and supplied 5,286 new books, totaling 24,868 books to date. 31 new classroom libraries were started within our new wave of schools within our 5 year programming. To date, there are 349 active classroom libraries without our schools in Guatemala and Honduras.

School the World developed a Scholarship Program in 2018 so that students who have completed their primary school education within communities that we partner with have the opportunity to continue their education into secondary school. These scholarships are designed to support and fund the expenses associated with pursuing a Basico-level education. This includes learning materials, transportation costs, any necessary school uniform requirements, etc. that families typically cannot afford. In 2018, School the World provided 11 full scholarships for students to continue their education in secondary school. Our goal is to further develop this Scholarship Program to provide varying options of support so that more students can continue their education regardless of their current circumstances or financial needs. ## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Schedule O (Form 990 or 990-EZ), such as legislation enacted after the schedule and its instructions were published, go to [www.irs.gov/Form990](http://www.irs.gov/Form990).

### Purpose of Schedule

An organization should use Schedule O (Form 990 or 990-EZ), rather than separate attachments, to provide the IRS with narrative information required for responses to specific questions on Form 990 or 990-EZ, and to explain the organization's operations or responses to various questions. It allows organizations to supplement information reported on Form 990 or 990-EZ.

Don't use Schedule O to supplement responses to questions in other schedules of the Form 990 or 990-EZ. Each of the other schedules includes a separate part for supplemental information.

### Who Must File

All organizations that file Form 990 and certain organizations that file Form 990-EZ must file Schedule O (Form 990 or 990-EZ). At a minimum, the schedule must be used to answer Form 990, Part VI, lines 11b and 19. If an organization isn't required to file Form 990 or 990-EZ but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

### Specific Instructions

Use as many continuation sheets of Schedule O (Form 990 or 990-EZ) as needed.

Complete the required information on the appropriate line of Form 990 or 990-EZ prior to using Schedule O (Form 990 or 990-EZ).

Identify clearly the specific part and line(s) of Form 990 or 990-EZ to which each response relates. Follow the part and line sequence of Form 990 or 990-EZ.

**Late return.** If the return isn't filed by the due date (including any extension granted), attach a separate statement giving the reasons for not filing on time. **Don't use** this schedule to provide the late-filing statement.

**Amended return.** If the organization checked the *Amended return* box on Form 990, *Heading*, item B, or Form 990-EZ, *Heading*, item B, use Schedule O (Form 990 or 990-EZ) to list each part or schedule and line item of the Form 990 or 990-EZ that was amended.

**Group return.** If the organization answered "Yes" to Form 990, line H(a), but "No" to line H(b), use a separate

attachment to list the name, address, and EIN of each affiliated organization included in the group return. **Don't use** this schedule. See the instructions for Form 990, *I. Group Return*.
